

# WOMEN'S MARCH GLOBAL

## Systems Change Grants

In order to support Chapters and Members in their local work to advance women's human rights, we have started our systems change grants program. Every month we support and fund chapters and members in their local events (this could go toward venue rental, food, printing costs, banners, facebook marketing ad support, etc). There is no grant period and all applications are welcomed on a rolling basis.

### Please see below for eligibility requirements.

- Must be a Women's March Global [Chapter](#) or [Member](#).
- Must have the Event listed on the [Global Platform](#).
- All events must abide by our [Global Unity Principles](#) (events that fail to do so will not be supported).
- Submit the **Systems Change Grant Proposal** (attached below) at [community@womensmarchglobal.org](mailto:community@womensmarchglobal.org).
- Submit **Post Event Report** (also attached) at [community@womensmarchglobal.org](mailto:community@womensmarchglobal.org).
- Tag Women's March Global on social media (Twitter: **WM\_Global** ; Facebook: **womensmarchglobal**; Instagram: **womensmarchglobal**)

Support is available on a **first come, first serve basis**, so please email us as soon as you know of your Event, and make sure you to put your Event up on the Platform to be considered!

Please let us know if you have any questions or concerns at [community@womensmarchglobal.org](mailto:community@womensmarchglobal.org). We are here to help!
